## Disclaimer

1. The licence information provided here is made available in good faith and is derived from sources believed to be reliable and accurate at the time of release on the Internet.
2. The Department of Mines, Industry Regulation and Safety has taken every care to provide correct and up to date information, but makes no assurance as to the accuracy or completeness of the licence information included in this site.
3. In some instances, where a renewal has been lodged and not processed by the Licensing Authority, the licence may appear to have expired. If the licensee appears as a holder of a licence on this screen with the status of "current", their licence is deemed current.
4. Please note also that, while the Licensing Authority issues licences to qualified and, in some cases 'experienced' industry members, it cannot and will not guarantee the work of licensees.
5. Consequently, the Department of Mines, Industry Regulation and Safety disclaims all responsibility and all liability (including without limitation, liability in negligence) for all expenses, losses, damages and costs which might incur as a result of using

information obtained from the Licence and Registration Online Search, or for it being inaccurate or incomplete in any way, and for any reason.

6. By using the Licence and Registration Online Search function, you as a customer accept:

- That information and data obtained using the Licence and Registration Online Search function is for information purposes only and should not be relied upon as evidence in legal proceedings.
- Each user waives and releases the State of Western Australia and its servants to the full extent permitted by law from any and all claims relating to the usage of material or information made available through the Department of Mines, Industry Regulation and Safety and the Licence and Registration Online Search.
